

Dear Helge,  
me and my family like to say a warm thank you for the great day we spent together.

The three wineries we visited during our guided wine tour with you were great and the wines we tasted were also absolute brilliant. We like the Rieslings and the Sauvignon Blancs so much.

A beauty spot was the Weegmüller winery. We have such high respect for Gaby and Steffi, the nice heads of the business. It was a great experience for us to have a look behind the scenes and watch the process of filling the bottles with the new wonderful vintage.

Friends of mine would like to have a wine tour in your nice Palatinate, I highly recommend to them to contact you.

And I'm sure we will come back in summer to spend another great day together with you.

With warm regards,  
Ashely Osborne with family, Ramstein
